02. Sponsor/Support Information

The following sections request details about the current or pending sponsorship/support of this study. Consider all of the choices below and complete the appropriate sections.
\* Note: At least one of the following sections must be answered. Multiple forms of funding or support must be added one at a time.

2.1 Please select all Proposal Approval Forms (PAFs), Awards (AWDs), and/or Unfunded Agreements (UFAs) associated with this study.

Click here to indicate that a PAF(s) has not been initiated.

Related PAFs:

+ Add

ID Title PI Direct Sponsor Prime Sponsor State
There are no items to display

PAF# and AWD# identify \*funding\* processed through eResearch Proposal Management. Almost any external funding SHOULD have at least one PAF# (proposal in-process, or awarded funding before mid-2018) or AWD# (awarded funding after mid-2018).

Related AWDs:

+ Add

Award ID Title PI Direct Sponsor Prime Sponsor State Has SUBKs? Project Period Awarded PAFs
There are no items to display

Related UFAs:

+ Add

UFA ID Title PI State Category Start Date
There are no items to display

UFA# identify "unfunded agreements" processed through eResearch Proposal Management, such as DUAs or MTAs between U-M and external data/specimen providers (e.g. CMS ResDAC) or recipients (external lead sites).

2.2 Internal UM Sponsor(s)/Support: [Including department or PI discretionary funding]

+ Add

Type Department Sponsor Support Type
There are no items to display

2.3 Check here if the proposed study does not require external or internal sponsorship or support:

checkbox checked

Secondary use projects often have no \*funding\* (PAF or AWD). Check 2.3 if there are ALSO no UFA links in 2.1 (DUA and/or MTA).

2.4\* Is there any other financial or non-financial sponsorship or support not covered in the sections above?
