10. Informed Consent - Secondary Use of Existing Data/Records/Specimens Completion of this section is required based on the response provided to questions 1-1.1, 5.2 and 5.	3
completion of this section is required based on the response provided to questions 1-1.1, 3.2 and 3.	Full waiver is very common for Hide
10.3* What type of informed consent will be obtained from subjects for the use of their data, records and/or specimens?	
Select all that apply: Request for waiver of informed consent/parental permission/legally authorized representative consent	
 Pre-existing consent(s) covers this activity 	
Re-consent/assent subjects for use of existing data/records/specimens for a new research purpose	
10.3.1* Describe terms and conditions of original consent process:	Was the prior consent for research, clinica other purposes? Was future use explicitly addressed? Are there limitations on the ty of future research allowed? Was permissic for future use required, or a choice by the subject?
10.3.2 Upload any documents related to consent, assent, permission, and or debriefing documents, including oral scripts here.	Activates 10.3.1 and 10.3.2 below. This applies to data/biospecimens obtained from some repositories, such as UMMS Central Biorepository.
+ Add Name Version There are no items to display	This answer often pairs with "Yes, always" to HIPAA authorization question 25-1.3.
10.3.3* Describe the plan to assent, consent, or re-consent the subject or the subject's legally authorized representative.	
Activates 10.3.3 and section 10-1.
