Re: Electronic Signature Certificate Statement

To Whom It May Concern:

Pursuant to Section 11.100 of Title 21 of the Code of Federal Regulations, this is to certify that The Regents of the University of Michigan intends that all electronic signatures executed in our electronic medical record system known as MiChart by our officers, directors, employees, students, or contractors, located anywhere in the world, are the legally-binding equivalent of traditional handwritten signatures, subject to applicable University policies including SPG 601.24: Delegation of Authority to Bind the University.

Sincerely,

A handwritten signature in cursive script that reads 'Marilyn Lanzon'.

Marilyn Lanzon
Interim Chief Information Officer
Medical Center Information Technology
